IDEAL INNOVATIONS INCORPORATED

# Sr. Latent Print Examiner

**Highlights:**

- Dynamic forensics team with many opportunities CONUS and OCONUS
- Work with other forensic experts in various fields to support global forensics and biometrics labs both in the US and OCONUS.
- This contract supports the overall Identity Management concept within the military services
- Obtain some or enhance your experience working in a fully-functional government laboratory working closely with other forensics experts.

**Tasks:**

- Process evidence to determine the presence of latent fingerprints using any documented wet and dry laboratory process at its location.
- Processing methods include, but are not limited to, Cyanoacrylate fuming, stickyside paste, dyes, specialized lighting sources, conditions, and magnification.
- All latent prints discovered shall be marked in a non-destructive manner.
- Examine the photographic image and determine whether the print has sufficient quality to make a comparison, and/or to submit to databases like the Automated Biometric Identification System (ABIS).
- This determination shall be in accordance with documented criteria.
- Perform examination comparisons and verifications of latent to latent and latent to known prints.
- In performance of these duties the Contractor must have 20/20 vision or correctable to 20/20 vision corrective lenses and no detected color vision deficiencies.
- Perform administrative and technical reviews of reports and worksheets.
- Prepare written results suitable for intelligence or prosecutorial packages.

**Required Qualifications:**

- Seven (7) years of experience working in a lab performing Latent Print examinations and analysis on all types of materials to include porous, non-porous, and semi-porous materials. Experience using chemical, physical, and digital latent print examination techniques to produce a suitable print for matches and submissions to a database. Experience conducting comparisons with latent and known exemplars. Experience conducting examinations while maintaining chain of custody and formulating interpretation results for forensic and/or intelligence exploitation. Experience with administrative and technical review (AR/TR) lab procedures. Experience performing quality checking of instruments and reagents. Professional certifications such as International Association of Identification (IAI) Experience with utilizing and submitting to ABIS, AFIS, and/or other national databases. Have 20/20 vision or correctable to 20/20 vision with no detected color vision deficiencies.
- US Citizen
- **A**ble to obtain a US Secret Clearance and US Passport (those who already possess US Secret Clearance and passport preferred).
- Meet government requirements for medical fitness
- Work: Rotate between normal CONUS 40hour work schedule in Atlanta and an OCONUS work schedule up to 84 hours/week.
- Attend pre-deployment training
- Able to lift 70 lbs. to a working height of 48 inches
- Able to perform general office and laboratory duties/functions

**US Clearance:** Current US Secret Clearance

**HQ Location:** Arlington, VA
**Work Locations:** Atlanta, GA and OCONUS
