

GET THE SHOT; SOLVE THE CRIME

Learn Digital Crime Scene Photography Online

go.fiu.edu/CSI-Photo

Our online Digital Crime Scene Photography course presents the critical knowledge and skills needed to capture fair and accurate photographic documentation of any scene. This 6-hour course covers digital camera basics, lighting strategies, and methods to capture images of impression evidence and bloodstains. Learn to 'paint with light,' capture a drop of water in motion, and prepare for courtroom testimony.

Our suite of online professional courses were developed with subject matter experts to provide first-class instruction at your own pace and from your own space. This course takes approximately 6 hours. Students have access to the course for 60 days and a certificate of completion will be issued to those successfully completing the course (score of 75% or greater). NFSTC trainings have been approved by the (American Board of Criminalistics) ABC for professional development points.
