NOW ENROLLING FORENSIC FIELD TRAINING OFFICER COURSE

Tuition only
\$775!

About the Course

This 40-hour course is designed to provide new field training officers with the knowledge, skills and abilities to train and evaluate a new forensic trainee utilizing interactive lectures and hands-on activities.

Registration

To register for this course, visit www.gapscience.com and complete the registration form under “Field Training—Delray Beach, FL”. Only 24 seats are available and this class will fill up quickly — be sure to submit your registration today!

COURSE DESCRIPTION

Many organizations often appoint individuals as trainers for forensic field training programs with little to no preparation. Although Field Training Officer programs exist, most of these courses are loosely applicable to forensic units and/or restricted to sworn personnel.

This course is designed to fill the need for Field Training Officer programs tailored to forensic disciplines. This course will help you more effectively teach complex material to trainees, properly document procedures and events, and develop a structured training program.
