Uncover Forensics

FORENSIC TRAINING

BUILDING & MANAGING AN EFFECTIVE CSI UNIT

24-hour online, self-paced course

Crime Scene Investigation can be a diverse & challenging discipline to navigate for those who are tasked with leading such a unit. This course provides an in-depth look into the different aspects of crime scene supervising including building an effective CSI Unit, navigating personnel issues, and handling challenging obstacles encountered while managing such a diverse unit. Topics include building an effective training program, the hiring process, managing critical incidents, after action follow-ups with your staff, and outreach & continuing education for leaders and crime scene investigators. This course is designed to give current or perspective crime scene supervisors the knowledge and skills necessary to effectively build and manage their specific crime scene unit.
