NOW ENROLLING FORENSIC SUPERVISION LEVEL II TRAINING COURSE

Tuition only
\$825!

About the Course

This 40-hour course is the second level of our popular Forensic Supervision course. Registrants are required to have already attended and successfully completed the Forensic Supervisor Course to attend the Forensic Supervision Level II course.

Registration

To register for this course, visit www.gapscience.com and complete the registration form under "Supervision Level II—Charlotte, North Carolina". Seats are limited and this class will fill up quickly—be sure to submit your registration today!

COURSE DESCRIPTION

Based on the requests of our past students, we have designed the Forensic Supervision Level II course to dive deeper into additional supervision topics. Students will learn about conflict resolution, coaching, writing grant proposals, building a budget, writing justifications, and effective time management

This course was designed to help those who desire to lead or are already leading Forensic teams in any capacity. This course will help to further develop the skills students; gained from attending the first Forensic Supervision Course.
