

Mobile Exploitation Analyst (CELLEX-DOMEX)

Highlights:

- Dynamic forensics team with many opportunities CONUS and OCONUS
- Work with other forensic experts in various fields to support global forensics and biometrics labs both in the US and OCONUS.
- This contract supports the overall Identity Management concept within the military services
- Obtain some or enhance your experience working in a fully-functional government laboratory working closely with other forensics experts.

Tasks:

- Examine evidence to determine the best strategy for exploitation, in consultation with other subject matter experts as needed.
- Disassemble, as needed, any components or devices when required to gain access to digital data.
- Search written or digital media and extract targeted data for storage and future processing or analysis.
- Process and analyze extracted data to potentially isolate information of specific interest.
- Annotate the case file documentation, detailing the processing techniques and the examination results and ensure all reports and worksheets are administratively and technically reviewed as dictated through standard operating procedures for the lab or organization being supported.

Required Qualifications:

- Four (4) years of experience in conducting forensic examinations on digital media.
- Demonstrated ability to effectively communicate orally and in writing to the Forensics and Intelligence communities (i.e., experience in writing technical reports, presenting briefs).
- Experience designing, implementing and documenting computer forensics exploitation processes to include evidence seizure, digital media analysis and data recovery.
- Digital Forensic Certification such as GFCE, GFCA, ACE or EnCE.
- US Citizen
- Able to obtain a US Secret Clearance and US Passport (those who already possess US Secret Clearance and passport preferred).
- Meet government requirements for medical fitness
- Work: Rotate between normal CONUS 40hour work schedule in Atlanta and an OCONUS work schedule up to 84 hours/week.
- Attend pre-deployment training
- Able to lift 70 lbs. to a working height of 48 inches
- Able to perform general office and laboratory duties/functions

US Clearance: Current US Secret Clearance

HQ Location: Arlington, VA

Work Locations: Atlanta, GA and OCONUS
