

Uncover Forensics FORENSIC TRAINING

"T.H.I.N.K."- PRACTICAL TECHNIQUES FOR PALM PRINT COMPARISONS

24-hour online, self-paced course

IAI approved for 24 hours of Latent Print & Tenprint initial certification and recertification training

The purpose of this course is to provide beneficial skills and knowledge applicable to the performance of friction ridge examinations of the palmar surfaces of human beings. Principal topics covered by the course include a brief history of friction ridge examination, the structure and morphology of friction ridge skin and the human hand, the dermatoglyphics and the topography of palmar friction ridge skin (including palmar regions, pattern areas and creases), how to conduct side-by-side comparisons, and helpful tips for easier recognition of palmar friction ridge skin for efficient searching and comparisons.

Course Curriculum

Each lecture is prerecorded, granting students the flexibility to play, pause, and rewind at their discretion, ensuring optimal comprehension. Furthermore, all assignments and tests are seamlessly conducted online via our integrated course platform. With the freedom to progress at their preferred pace and convenience, students enjoy an unparalleled educational experience tailored to their unique learning styles and schedules.

Module 1
Introduction
Brief history of friction ridge examination
Embryology/Morphology/Anatomy of Hand
Dermatoglyphics & Topography of Palmar Surface
Deposition Medium
Main Regions of Palm
Main Creases of Palm
Practical Exercise: Ridge Flow Tracing
Practical Exercise: Primary Crease Tracing
Practical Exercise: Secondary Crease Tracing
Practical Exercise: Combined Tracing
Module 1 Quiz

Module 2
Interdigital Region of Palm
Thenar Region of Palm
Hypothenar Region of Palm
Primary & Secondary Creases in each Palmar Region
Outer Edge Creases of Thenar and Hypothenar Regions
Ridge Flow of Digits/Joint Areas
Creases of Digits/Joint Areas
Crease Collapse & White Space
Practical Exercise: Tracing, Primary/Secondary Creases & Ridge Flow
Practical Exercise: Comparison Exercise #1
Practical Exercise: Comparison Exercise #2
Module 2 Quiz

Module 3
Additional Search Strategies & Recap
Practical & Common Sense Touches (Palmar) as it Pertains to Evidence
Gridding
Methods of Obtaining Major Case Prints
Practical Exercise: Tracing, Primary/Secondary Creases & Ridge Flow
Practical Exercise: Comparison Exercise

Closing
Final Exam

IAI approved for 24 hours of Latent Print & Tenprint initial certification and recertification training
