Thirteen (13) of the fourteen (14) members shall be elected at large at the Annual Membership Meeting. The fourteenth member shall be the newly elected President. The immediate Past President shall serve as the Chairperson and fifteenth member of the Board of Directors. The Chairperson shall appoint a designee from either the Board of Directors or a Past President to chair the meeting when the Chairperson is unable to attend a meeting of the Board of Directors. If the Chairperson does not select a replacement for any reason, the selection shall be made by the President. The Chief Operations Officer of the IAI shall serve as the official Recording Secretary for the Board of Directors. If the Chief Operations Officer is unable to attend a meeting of the Board of Directors, the Board of Directors may appoint any member of the Board of Directors to serve as the Recording Secretary. Only the fifteen (15) members of the Board of Directors shall be entitled to vote on business properly brought before the Board of Directors. The term of office for the fifteen (15) members of the Board of Directors shall begin from the day after the annual elections and end the day after the next annual election at which their respective replacements are elected or otherwise assume office or until a successor is elected. This wording shall be interpreted to recognize the staggered two-year term of office for the thirteen (13) elected members of the Board of Directors. All members of the Board of Directors shall be voting members of the IAI unless provided otherwise in these Bylaws.

As used in the Constitution and these Bylaws, the term “member(s) of the Board of Directors” is used interchangeably with the term “director” to refer to any person who is either elected or appointed to serve in any capacity on the Board of Directors and is entitled to vote at Board of Directors meetings. A director may not serve on a certification board or Professional Programs Quality Assurance Governing Board, or as Chairperson of the Science and Practices Committee. As used in the Constitution and these Bylaws, the term “Recording Secretary of the Board of Directors” is used interchangeably with the term “Secretary of the Board of Directors.” Also,
the Chairperson of the Board of Directors may sometimes be referred to as a “member of the Board of Directors.”

**Section 5.02 Election.** The thirteen (13) at large elected members of the Board of Directors shall be elected to staggered two-year terms of office by the voting members at the Annual Membership Meeting in conformance with the provisions of the Operations Manual. In even numbered years, six (6) new directors will be elected, and in odd numbered years, seven (7) new directors will be elected.

**Section 5.03 Vacancies.** A vacancy occurring on the Board of Directors shall be filled by the President. The newly appointed member of the Board of Directors shall hold office for the remainder of the term of the office to which the member was appointed, or until a successor is elected or appointed.

**Section 5.04 Removal and Resignation.** A member of the Board of Directors may be removed for cause by a majority vote of all of the members of the Board of Directors. A member of the Board of Directors may resign at any time by giving written notice to the Board of Directors. The resignation shall take effect as of the date the notice is received if no effective date is stated in the notice.

**Article VI**

**Meetings of the Board of Directors**

**Section 6.01 Regular Meetings.** An annual regular meeting of the Board of Directors shall be held starting approximately one (1) week before, and at the same place as the Annual Membership Meeting, to transact such business as comes before the meeting. In addition, the Board of Directors may provide, by resolution, the time and place for the holding of additional regular meetings. Regular meetings of the Board of Directors may be held at any place within or outside the State of Delaware that has been designated from time to time by resolution of the Board of Directors. In the absence of such designation, regular meetings shall be held at the principal executive office of the IAI. Notwithstanding the provisions of this Section 6.01, a regular or special meeting of the Board of Directors may be held at any place consented to orally or in writing by all members of the Board of Directors, either before or after the meeting. If consents are given, they shall be filed with the minutes of the meeting.

**Section 6.02 Special Meetings.** Special Meetings of the Board of Directors may be called at the discretion of the Chairperson of the Board of Directors. Such special meetings of the Board of Directors shall be held at the principal executive office or at such other reasonable place, either within or outside the State of Delaware, as shall be stated in the notice of the special meeting. Further, special meetings may be held via the use of conference-telephone, or other communications equipment by means of which all persons participating in the meeting can communicate with each other.

**Section 6.03 Adjournment.** A majority of the members of the Board of Directors present, whether or not a quorum is present, may adjourn any Board of Directors meeting. If the Board of Directors meeting is adjourned to another time and/or place, notice of the time and place of holding a reconvening of an adjourned Board of Directors meeting need not be given unless the original Board of Directors meeting is adjourned for more than 24 hours or such Board of Directors meeting was adjourned for lack of a quorum. If the original Board of Directors meeting is adjourned for more than 24 hours and/or due to lack of a quorum, notice of reconvening of such adjourned Board of Directors meeting to another time and/or place shall be given, before the time of reconvening of the adjourned Board of Directors meeting, to the members of the Board of Directors.

**Section 6.04 Notice of Board of Directors Meetings.**

(a.) **Notice to All IAI Members.** The date, time and location of a Board of Directors meeting shall be published in any publication normally distributed to all the members of the IAI. However, regular and special meetings of the Board of Directors may be held without such notice.
(b.) Notice of Regular Board of Directors Meeting to Board of Directors Members. The Chairperson or Recording Secretary of the Board of Directors shall, at least two (2) days before a regular meeting of the Board of Directors, give notice thereof by any usual means of communication to all members of the Board of Directors eligible to vote at the Board of Directors meeting. Such notice shall specify the time, place and purpose for which the meeting is called.

(c.) Notice of Special Board of Directors Meeting to Board of Directors Members. The Board Chairperson or Recording Secretary shall, at least two (2) days before a special meeting of the Board of Directors, give notice thereof by any usual means of communication to all members of the Board of Directors eligible to vote at the special meeting of the Board of Directors. Such notice shall specify the time, place and purpose for which the special meeting of the Board of Directors is called.

Section 6.05 Waiver of Notice.

(a.) Express Waiver. Any member of the Board of Directors may waive said member's notice of any Board of Directors meeting held without proper call or notice, either before or after the meeting is held.

(b.) Implied Waiver by Attendance. Attendance by a member of the Board of Directors at a meeting of the Board of Directors shall constitute a waiver of notice of such meeting, except where a member of the Board of Directors attends the meeting of the Board of Directors for the purpose of objecting to the transaction of any business because the meeting is not lawfully called.

(c.) Implied Waiver by Silence. Failure of a member of the Board of Directors who did not attend a meeting held without proper call or notice to file with the Recording Secretary or Chairperson of the Board of Directors a written objection to the holding of the meeting of the Board of Directors or to any specific action so taken promptly after having knowledge of the action taken and of the insufficiency of notice shall constitute ratification of the action taken at the meeting of the Board of Directors.

Section 6.06 Attendance at Board of Directors Meetings. Meetings of the Board of Directors will be closed to the general public and the membership of the IAI. Meetings will be open to all members of the Board of Directors, the Board of Directors Recording Secretary, the General Counsel, all past Presidents and current Officers, and anyone given permission to attend by the Board of Directors present during the meeting. Any person lawfully present at a Board of Directors meeting may be heard. Only the members of the Board of Directors may vote at the Board of Directors meeting.

Section 6.07 Quorum. Except as otherwise provided in these Bylaws, a minimum of eight (8) Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors.

Section 6.08 Manner of Acting. An act of the majority of the members of the Board of Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section 6.10 Action Without a Meeting and Meetings by Telephone.

(a.) Action Without a Meeting. Action taken by a majority of the members of the Board of Directors or of any committee without a meeting is nevertheless an action of the Board of Directors or such committee if all members of the Board or committee, as the case
may be, consent thereto in writing, or by electronic transmission and the writing or writings or
electronic transmission or transmissions are filed with the minutes of the proceedings of the
Board of Directors or committee, whether done before or after the action so taken.

(1.) For the purposes of these Bylaws, “electronic transmission” means any
form of communication, not directly involving the physical transmission of paper, that
creates a record that may be retained, retrieved and reviewed by the recipient thereof,
and that may be directly reported in paper form by such recipient through an automated
process.

(2.) For the purposes of these Bylaws, “Sign” includes executing an
electronic signature.

(b.) Meetings by Telephone. Any one (1) or more members of the Board of
Directors, or any committee designated by the Board of Directors, may participate in a meeting
of such Board or committee by means of conference telephone or any other form of
communications equipment by means of which all participating directors or committee
members communicate with each other, and participation in a meeting pursuant to this
subsection shall constitute presence in person at the meeting.

Section 6.11 Compensation and Reimbursement of Expenses. Members of the Board of Directors
shall serve without compensation, but may receive such reimbursement of expenses as the Board of
Directors determines by resolution to be just and reasonable. The standard rate for the reimbursement
of expenses related to official travel by personal automobile, that is approved by the Board of Directors,
shall be the current United States General Services Administration (GSA) mileage reimbursement rate.

Section 6.12 Executive Session. The Chairperson of the Board of Directors has the authority to
declare that all or part of a Board of Directors Meeting is to be conducted as an executive session.
Only Members of the Board of Directors and the General Counsel shall attend the executive session.

(1.) **Expenses.** All expenses, including attorneys' fees, actually and necessarily incurred by such person in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or
investigative and whether or not brought by or on behalf of the individual or the IAI, seeking to hold such person liable by reason of the fact of such capacity or the fact that such person is or was acting in such capacity; and

(2.) **Payments.** All payments made by such person in satisfaction of any judgment, money decree, fine, penalty or settlement for which such person may have become liable in any such action, suit, or proceeding.

(b.) **Broad Scope.** To the fullest extent permitted by law (but only to the extent not paid or reimbursed by insurance or any other third party) and when authorized by vote of a majority of the disinterested members of the Board of Directors, the IAI may pay expenses incurred by a member of the Board of Directors, officer or employee of the IAI in defending a civil or criminal action, suit or proceeding in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director, officer or employee to reimburse the IAI for such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the IAI against such expenses.

(c.) **Good Faith Limitations.** Notwithstanding the foregoing provisions, the IAI shall not indemnify or agree to indemnify any person against expenses or other liabilities incurred by such person on account of any activities or omissions if the director, officer or employee breached or failed to perform a duty that he or she owes to the corporation and the breach or failure to perform constitutes any of the following:

The termination of any action, suit, appeal or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner known or believed by such person not to be in or opposed to the best interests of the IAI and, with respect to any criminal action or proceeding, shall not create the presumption that such person had reasonable cause to believe such conduct was unlawful.
