JUST SWAB IT! - BIOLOGICAL EVIDENCE RECOVERY

8-hour online, self-paced course - IAI approved!

The collection of biological evidence can sometimes be more complicated than it appears. The “just swab it” mindset is not as clear and concise as one might think. This interactive course explores the types of evidence we swab, swabbing materials, the different methodologies used in swabbing, swabbing on crime scenes, swabbing evidence, working with your forensic laboratory, understanding DNA analysis results and answering questions in court.
