Dear Members,

It is with a heavy heart that I am composing this letter. As you all may know by now, we have lost a dear member of our organization. Mr. Robert Garrett was a dedicated and hard-working member of the I.A.I., having served in all the elected positions, through President and Chairman of the Board, many appointed committees, and was most recently the Director of the Forensic Certification Management Board working towards I.S.O. Accreditation for all of our Certification Programs. Bob's passing will leave a large space to fill, as his time, efforts, skills, abilities, and passion will be a challenging task to replace. It is with heartfelt thanks that we had the privilege of knowing, working with, be a colleague too, and having a friend in such a person as Bob. To his family and friends, on behalf of all the members of the I.A.I., we send our condolences, thoughts, and prayers. May he rest in peace.

Sincerely,
Kenneth B. Zercie, President I.A.I. (2019-2021)
