## DISMANTLE AND MOVE-OUT INFORMATION:

All exhibitor materials **MUST** be removed from the facility by 8:00 pm on Wednesday, August 3, 2022. To ensure that all exhibitor materials are removed by this time, please have your carrier check in no later than 5:00 pm on August 3<sup>rd</sup>. In the event that your carrier does not check-in by this time, your shipment will be rerouted via the official carrier, Liberty CFS NV, Inc.

## POST SHIPPING PAPERWORK:

Our customer service center will have outbound bills of lading and shipping labels for your convenience. Please note that Levy Exposition Services Bills Of Lading's (BOLs) **MUST** be filled out and turned into the service center once your materials are packed for all outbound shipments.

It is vital that your carrier knows your company name and booth # when you make your outbound shipping arrangements. Additionally, if your carrier plans to use a freight forwarding company to pick up your shipment(s), you **MUST** include this company's name as well as the actual shipping company's name on the bill of lading that you fill out. In the event someone other than the company listed on your outbound bill of lading arrives to pick up your shipment, it will be rerouted via the official show carrier.

## **SAFETY RULES**

Exhibitors must provide adequate space within the exhibit to allow for the comfort and safety of persons watching demonstrations and/or placing orders. Each exhibitor is responsible for keeping the aisles near their booth free of congestion which may be caused by such demonstrations and/or order placement.

Aisles **MUST** remain free and clear of all obstructions. If chairs are being used as part of your exhibit, they **MUST** remain inside your booth space. Chairs in the aisle constitute a violation of fire codes and are also considered a booth violation.

Do not run electrical cords or position displays and/or product in such a way as to pose a safety hazard for attendees and company personnel who will traffic into booth areas.

Do not store cardboard cartons or packing materials in booth areas, as this is a violation of fire codes and poses a safety hazard.

Do not place product samples, whether on tables or free-standing displays, at the edge of the aisle, or in the case of an island booth, on shelving units on an outside wall. All portions of an Exhibitor's display must be contained within his/her assigned booth space, including chairs placed at the edge of an aisle.

At the close of the exhibit hall, please keep clear of all aisles including exhibit material and/or product. During the first two or three hours after the close of the exhibit hall, there is ample traffic in the aisles including but not limited to forklift traffic returning empty containers.

# SHOW SITE WORK RULES IN NEBRASKA

---

To assist you in planning for your participation in this convention, we're certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdictions the various unions have we ask you to read the following:

## **WORKING WITH THE UNION IN OMAHA**

To assist you in preparing for your show, we would like to share with you some information regarding the jurisdiction that the various unions have here. Currently we have an agreement with Stagehand Local Union to provide labor for display erection and dismantling. Full time employees of exhibiting companies or their representatives may set their own displays, without assistance from the Local. However, should assistance be necessary beyond that provided by those employees, then labor must be provided by the Local. Labor can be ordered in advance by using the Labor Order form in the Levy exhibitor kit or at show site from the Levy customer service desk.

## **MATERIAL HANDLING**

Exhibitors may hand-carry their materials into the exhibit facility. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted. Levy will control access to the loading docks in order to provide for a safe and orderly move-in/out. Only full time employees of the exhibiting company will be allowed to hand-carry items. Unloading or reloading at the dock of any and all contracted carriers will be handled by Levy.

## **TIPPING**

Levy requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees. Any request for such should be brought to the attention of a Levy Exposition Services' representative at the service desk or correspondence may be directed to the attention of the General Manager at our Seattle address.

## **SAFETY**

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Levy cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order form and the necessary ladders and tools will be provided.

## EXHIBIT CONSTRUCTION GUIDELINES SUMMARY

The Exhibitor's responsibility can be summed up as simply: **"Be a good neighbor!"** All exhibitors are equal regardless of size and should be given an equal opportunity, within reason, to present their product in the most effective manner to the audience.

### STANDARD BOOTH

Linear Booths have only one side exposed to an aisle and are generally arranged in a series along a straight line. They are also called "in-line" booths.

**Dimensions:** Linear Booths are most commonly ten feet (10') wide and ten feet (10') deep, i.e. 10'x10'. A maximum back wall height limitation of height feet (8') is generally specified.

**Use of Space:** Regardless of the number of Linear Booths utilized, (e.g. 10'x20', 10'x30', 10'x40', etc.) Display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors.

The maximum height of eight feet (8') is allowed only in the rear half of the booth space, with a four-foot (4') height restriction imposed on all materials in the remaining space forward to the aisle.

One or more standard 10'x10' units in a straight line.

**Note:** Booth drape is set at 8 ft max.

Display fixtures over 4 ft high must be confined to that area that is at least 5 ft from the aisle line.

### PENINSULA END-CAP BOOTH

An end cap booth is exposed to aisles on three sides and composed of two booths.

**Dimensions:** End-cap Booths are generally ten feet (10') deep by twenty feet (20') wide. The maximum back wall height of eight feet (8') is allowed only in the rear half of the booth space and within five feet (5') of the two side aisles with a four foot (4') height restriction imposed on all materials in the remaining space forward to the aisle.

### HANGING SIGN BOOTH

An exhibit component suspended above an exhibit of four or more standard units back-to-back with an aisle on at least three sides for the purpose of displaying graphics or identification.

**\*\*All overhead hanging must be assembled, installed, and removed by the facility. Please contact the service provider for this service\*\***

### ISLAND BOOTH

An Island Booth is any size booth exposed to aisles on all four sides.

**Dimensions:** An Island Booth is 20'x30' or larger, although it may be configured differently.

**Use of Space:** The entire cubic content of the space may be used up to the maximum allowable height, which is usually sixteen feet (16'), including signage.

**Please note that the ceiling height in the Exhibit Hall is (30 feet).**

# PAYMENT & LABOR

The terms and conditions set forth below become part of the contractual agreement between Levy Exposition Services Inc. and you, the EXHIBITOR. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

- ~ **WHEN THE METHOD OF PAYMENT FORM IS SIGNED; OR**
- ~ **WHEN AN ORDER FOR LABOR, SERVICES, AND/OR RENTAL EQUIPMENT IS PLACED BY AN EXHIBITOR WITH LEVY EXPOSITION SERVICES INC.; OR**
- ~ **WHEN WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY LABOR SECURED THROUGH LEVY EXPOSITION SERVICES INC.**

## DEFINITIONS

"Levy Exposition Services Inc." ("LES"), and any sub-contractors affiliated within the show. The term EXHIBITOR shall be construed within the meaning of this contract as the EXHIBITOR and/or its employees, agents, representatives, and/or any Exhibitor Appointed Contractor (E.A.C.).

## PAYMENT TERMS

Full payment, including any applicable tax, is due in advance or at show site. All payments must be in U.S. Funds and all checks must be drawn on a U.S. Bank. Orders received without advance payment or after the deadline date will incur additional [After Deadline] charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of LES except where specifically identified as a sale. All LES rentals include delivery, installation and removal from EXHIBITOR's booth, unless stated otherwise. In case of cancellation, a one-hour "per person, per hour" charge will be applied to all labor, forklift and sign hanging orders that are not canceled in writing at least seven (7) days prior to the scheduled start time. If services have already been provided at the time of cancellation, 100% of original fee will be applied. It is EXHIBITOR'S responsibility to advise LES Exhibitor Services personnel of any problem with any order, and to check invoices for accuracy prior to the close of the exhibit. If EXHIBITOR is exempt from payment of sales tax, LES requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless EXHIBITOR is rebilling these charges to its customers. For International EXHIBITORS, LES requires 100% prepayment of advance orders, and any orders or services placed at show site must be paid at the show. For all others, should there be any pre-approved unpaid balance after the close of the show, terms will be net, due and payable in the UNITED STATES OF AMERICA, upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a pre-paid basis only. If any finance charge here under exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by LES shall either be applied to reduce the principal unpaid balance or refunded to the payer. These payment terms and conditions shall be governed by and construed in accordance with the LAWS OF THE STATE OF NEBRASKA. In the event of any dispute between EXHIBITOR and LES relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to LES relative to any services, as an offset against the amount of any alleged loss or damage. Any claim against LES shall be considered a separate transaction, and shall be resolved on its own merits. LES reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR's estimate of charges and the actual charges incurred by the EXHIBITOR, or for any charges that LES may be obligated to pay on behalf of the EXHIBITOR, including without limitation, any shipping charges.

## LABOR PROVIDED UNDER THE SUPERVISION OF LES

### RESPONSIBILITIES

LES shall be responsible for the performance of labor provided under this option. LES cannot assume responsibility for any acts of, or loss to, persons, parties and/or other contracting firms not under LES's direct supervision and control. In no event shall LES be liable for loss or damage caused by delay in labor beginning work when EXHIBITOR requests labor to begin later than the start of the working day. LES shall not be responsible for loss, delay or damage due to strike, lockouts, and/or work stoppages, or other causes beyond LES's reasonable control.

### INDEMNIFICATION

LES agrees to indemnify, hold harmless, and defend EXHIBITOR from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) for bodily injury, including any injury to LES employees, or property damage arising out of work performed by labor provided by and supervised by LES, except when EXHIBITOR exercises direction and/or control over the work being performed.

## LABOR PROVIDED UNDER THE SUPERVISION OF EXHIBITOR

### RESPONSIBILITIES

EXHIBITOR shall be responsible for the performance of labor provided under this section. It is responsibility of EXHIBITOR to supervise labor secured through LES in a reasonable manner as to prevent bodily injury and/or property damage and also to direct them to work in a manner that is in compliance with LES Safe Work Rules and/or Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management Rules and/or Regulations. It is the responsibility of EXHIBITOR to check in with the Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed.

### INDEMNIFICATION

EXHIBITOR agrees to indemnify, hold harmless, and defend LES from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgements, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) for bodily injury, including any injury to LES employees, and/or property damage arising out of work performed by labor provided by LES but supervised by EXHIBITOR. Further, EXHIBITOR's indemnification of LES includes any and all violations of Federal, State, County or Local ordinances, "Show Regulations and/or Rules" as published and/or set forth by Facility or Show Management, and/or directing labor provided by LES to work in a manner that violates any of the above rules, regulations, and/or ordinances.

# TERMS & CONDITIONS

# MATERIAL HANDLING FAQs

The following is a list of frequently asked questions pertaining to material handling and freight services. We strongly recommend that you read this document in its entirety to better familiarize yourself with the processes relating to material handling and freight services.

As the official service contractor, LEVY is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

## HOW DO I SHIP TO THE ADVANCE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the number listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts and Shipping Instructions pages. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Shipping Instructions page for warehouse receiving hours.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped materials must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor setup.
- Please call the number located on the Quick Facts if you want to ship oversized material that requires special equipment to the warehouse.

## HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

## WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive “collect,” mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

## HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site can be found on the Quick Facts and Shipping Instructions pages.

## HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is considered separately. The shipment weight will be multiplied by the applicable per pound rate with no round-ups. All shipments are subject to reweigh.
- On the Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.

**Crated:** material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

- Add the late delivery charge listed on the Order Form if the shipment is accepted at the warehouse or at show site after the deadline date listed on the Quick Facts and Shipping Instructions pages.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.
- Shipments received without receipts or freight bills, such as UPS and Federal Express, will be delivered to the booth without guarantee of piece count or condition.

## WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Service Center. Place a label on each container. Labeled containers will be picked up periodically and stored in non-accessible storage during the show.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.
- *Please note that LEVY will assume no liability for interrupted travel plans due to the length of time required for the empty container return. It is the responsibility of the exhibitor to schedule travel plans accordingly.*

## HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

## HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Service Center at show site for your shipping documents. The Material Handling Agreement and labels will be processed and available prior to show closing.
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts and Shipping Instructions pages for specific dates and times. In the event your selected carrier fails to show on final move-out day, your shipment will either be rerouted to LEVY's carrier choice or delivered back to the warehouse at exhibitor's expense.
- For your convenience, show-recommended carriers will be on site to handle outbound transportation.

## WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Order Form for available equipment.
- Advance and show-site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

## DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by LEVY are subject to the enclosed Terms and Conditions.
