

Lead Scanning for 110th International Association for Identification's Educational Conference

August 16- 22, 2026. St Louis, Missouri

Capturing, qualifying, and connecting the right attendees

With the quick scan of an attendee badge, you'll be able to qualify, rate, and take audio notes on each lead.

No more jotting notes on the back of business cards or manually entering in contact information when they get back to the office!

An app that lets exhibitors and sponsors collect, qualify, and follow up with leads
