

Photo Contest Entry Rules

Participants **must** include the following information on the 8.5" X 11" photo contest entry label (provided upon registration) along with their entries:

Camera Model, Lens Model, Focal Length, Filter(s), ISO, Aperture, Shutter Speed, Post Processing Techniques, etc.

Creative

This category can include any subject matter relevant to the selected theme. Basic post-processing is permitted but note that the judging will be based on photographic expertise and excellence. If any post-processing is applied, you must provide a copy of the original image on your entry form and an explanation of your adjustments.

Forensic

This category can include forensic crime scenes or evidentiary casework, research, or training photographs. Limited post-processing is permitted to demonstrate standard clarification techniques. Be sure to provide a copy of the original on your submission form along with an explanation of any post-processing efforts.
