

**Course Title:**

RS&A ONLINE - Palm Prints Searching Smart

**Course Details:**

40 Hours | \$600.00 | 90 Day Access

**Course Instructor:**

Ron Smith, CLPE

**Course Description:**

RS&A is excited to announce our first full length online training course, Palm Prints Searching Smart! This course is guaranteed to teach Latent Print Examiners how to search for latent palm prints smart, as opposed to searching hard.

This self-paced online training course is instructed by none other than the creator of Palm Print Searching Techniques, Ron Smith.

Through lecture, Ron will pass along to you his vast expert knowledge of palm prints. You will then be challenged to apply the searching smart methods you have learned in many practical exercises, and finally you will be tested with both written and practical exams. ALL OF THIS ONLINE! With this online training course, you truly can learn to search palm prints smart from anywhere...anyplace...anytime.

**IAI Cert Board Approvals:**

**Latent Print Certification Board:** 40 Hours Certification and Recertification Training Credits

**Tenprint Certification Board:** 40 Hours Certification and Recertification Training Credits
