My Fellow IAI Members;

In the early morning hours of last Friday our friends, neighbors, and those we consider to be part of our extended families in the State of Texas, were dealt a vicious blow by Hurricane Harvey. Lives, homes, and businesses were lost to this environmental disaster. Even as I write this, the devastation continues with torrential rains and massive flooding in Texas and Louisiana.

Please keep those affected by this storm, in your thoughts, hearts and prayers. Please rally and show your support for those in need by donating to those worthy organizations that are there to help to put those lives back together.

On Behalf of the staff, officers, and Board of Directors of the International Association for Identification I want to extend our thoughts, hearts and prayers for those affected by this latest tragedy.

Warmest regards,
